Dear Sir/Madam,

RE: APPRECIATION TO HINDU COUNCIL OF KENYA.

We would like to express our deepest gratitude for your contribution to Young Achievers Learning Centre. Your donations to the school was very important to the community at large.

Girls were given sanitary towels and carry bag in the presence of their parents. The school also received National library books which will enable the pupils and community to have knowledge skills and reading culture. May God bless your organization.

Regards
